High Commissioner of Singapore to India Visits SDI-B

H.E. Mr Simon Wong, High Commissioner of Singapore to India, visited SDI-B on 25th April 2023. Leading the Singaporean delegation in the 'Skill Architecture and Governance Models of India and Singapore' workshop in Bhubaneswar, a precursor event to the G20 EdWG meeting, he took time away from the event to have a look at the skilling model being followed at SDI-B. On his arrival on the campus, he was welcomed by Mr Sanjay Srivastava, CEO, SDI-B who also made a detailed presentation about SDI-B to the visiting ambassador and his team. He showed a lot of interest in understanding the SDI-B model and asked several questions regarding student mobilisation, pedagogy, placement of students, financial model etc. The team was taken around the

labs, classrooms, workshops, and other facilities on the campus. Coming to Odisha for the first time, he was appreciative of the strides taken by Odisha as a state in general and SDI-B as a mega-model skill academy. During interactions with the students on the campus, he took note of the happiness on the face of students, which he later interpreted as a reflection of the good environment in SDI-B, which also shows that they will definitely do well in life after completion of their training programme". He was accompanied by his team of officials consisting of Mr Ming Foong, Consul General, Mumbai; Mr Francis Chong, Senior Director, MTI; Mr Sean Lim, FS Political and Mr Zaccheus Lim, Vice Consul, Mumbai.

SDI-B Goes Live with 3 Modules of SAP System

In its digital transformation journey, SDI-B achieved a major milestone when it went live with three modules of SAP, an ERP solution, on 1st April 2023. The three SAP modules implemented are FI (Financial Accounting), MM (Materials Management), and HCM (Human Capital Management). While launching the system, Mr Sanjay Srivastava, CEO, SDI-B, congratulated the steering committee members involved in the project and asked all users to streamline and automate the institute's financial workflows, procurements, and HR processes, leading to enhanced efficiency and cost savings.

Putting Positive Thinking Into Practice...

Negative Self-talk

- ✗ I've never done it before
- ✗ It's too complicated
- ✗ I don't have the resources
- ✗ I'm too lazy to get this done
- ✗ There's no way it will work
- ✗ It's too radical a change
- ✗ No one bothers to communicate with me
- ✗ I'm not going to get any better at this

Positive Thinking

- ✓ It's an opportunity to learn something new
- ✓ I'll tackle it from a different angle
- ✓ Necessity is the mother of invention
- ✓ I couldn't fit it into my schedule, but I can re-examine some priorities
- ✓ I can try to make it work
- ✓ Let's take a chance
- ✓ I'll see if I can open the channels of communication
- ✓ I'll give it another try

THINK POSITIVE - TALK POSITIVE - FEEL POSITIVE
